

INTERNATIONAL WEEK FOR GLOBAL PARTNERS
HOCHSCHULE KEMPTEN
From 02nd To 05th December 2024

Join us as partners - [registration deadline 31 July 2024](#)

Topic: Networking diversity with focus on Africa

We invite you to share your expertise in an international and interactive setting. We aim at developing your innovative and integrative approaches to collaboration and teaching, in this year with focus on cooperation development with universities in Africa. Besides, there will be opportunities galore to network with our professors, our students and our partner universities.

Activities such as presentations, workshops, excursions and others will be the setting for in-depth discussions and knowledge exchange on how to develop or improve your Africa expertise and expand your contacts.

This week is also dedicated to connecting academic lecturers from around the world with each other and create new links.

For Faculties of Business, Social Sciences and Technology
