

**INTERNATIONAL WEEK AT VIVES**  
**Commercial Sciences, Business Management and Informatics in Kortrijk, Belgium**  
**From 18th To 22nd November 2024**

We are pleased to invite you to our **International Staff Week at VIVES – Commercial Sciences, Business Management and Informatics in Kortrijk, Belgium**, from **18 to 22 November 2024**.

Our event is an excellent opportunity to boost your international network by meeting our staff as well as close to **40 foreign colleagues from at least 15 different countries all over the world**.

You also get to work with our **second year bachelor students from our programmes in Business and Organisation & Management and Applied Informatics**. As guest lecturer, you are asked to bring an interactive workshop in which you set our students to work on a case in your field. You can read more about our format and register [here](#)

You can apply as of now, submitting your idea (brief outline) for your workshop. **Registration** will be open **until Sunday 29 September** but please don't leave it until last minute. We need time to find out if we can find you an audience or if your idea needs some tweaking so both you and the students get the best out of this encounter. Acceptance of your proposal will be confirmed no later than Wednesday, October 3

Below, you can find the draft programme for the ISW2024. If you have any questions, please do not hesitate to contact me at [lynn.tanghe@vives.be](mailto:lynn.tanghe@vives.be).
